Craft. Story. Aesthetics.

The light is what the world sees. The stone is why it still stands.

01

Craft

The work itself, done right. Non-negotiable.

02

Story

Why it matters and who it is for. Non-negotiable.

03

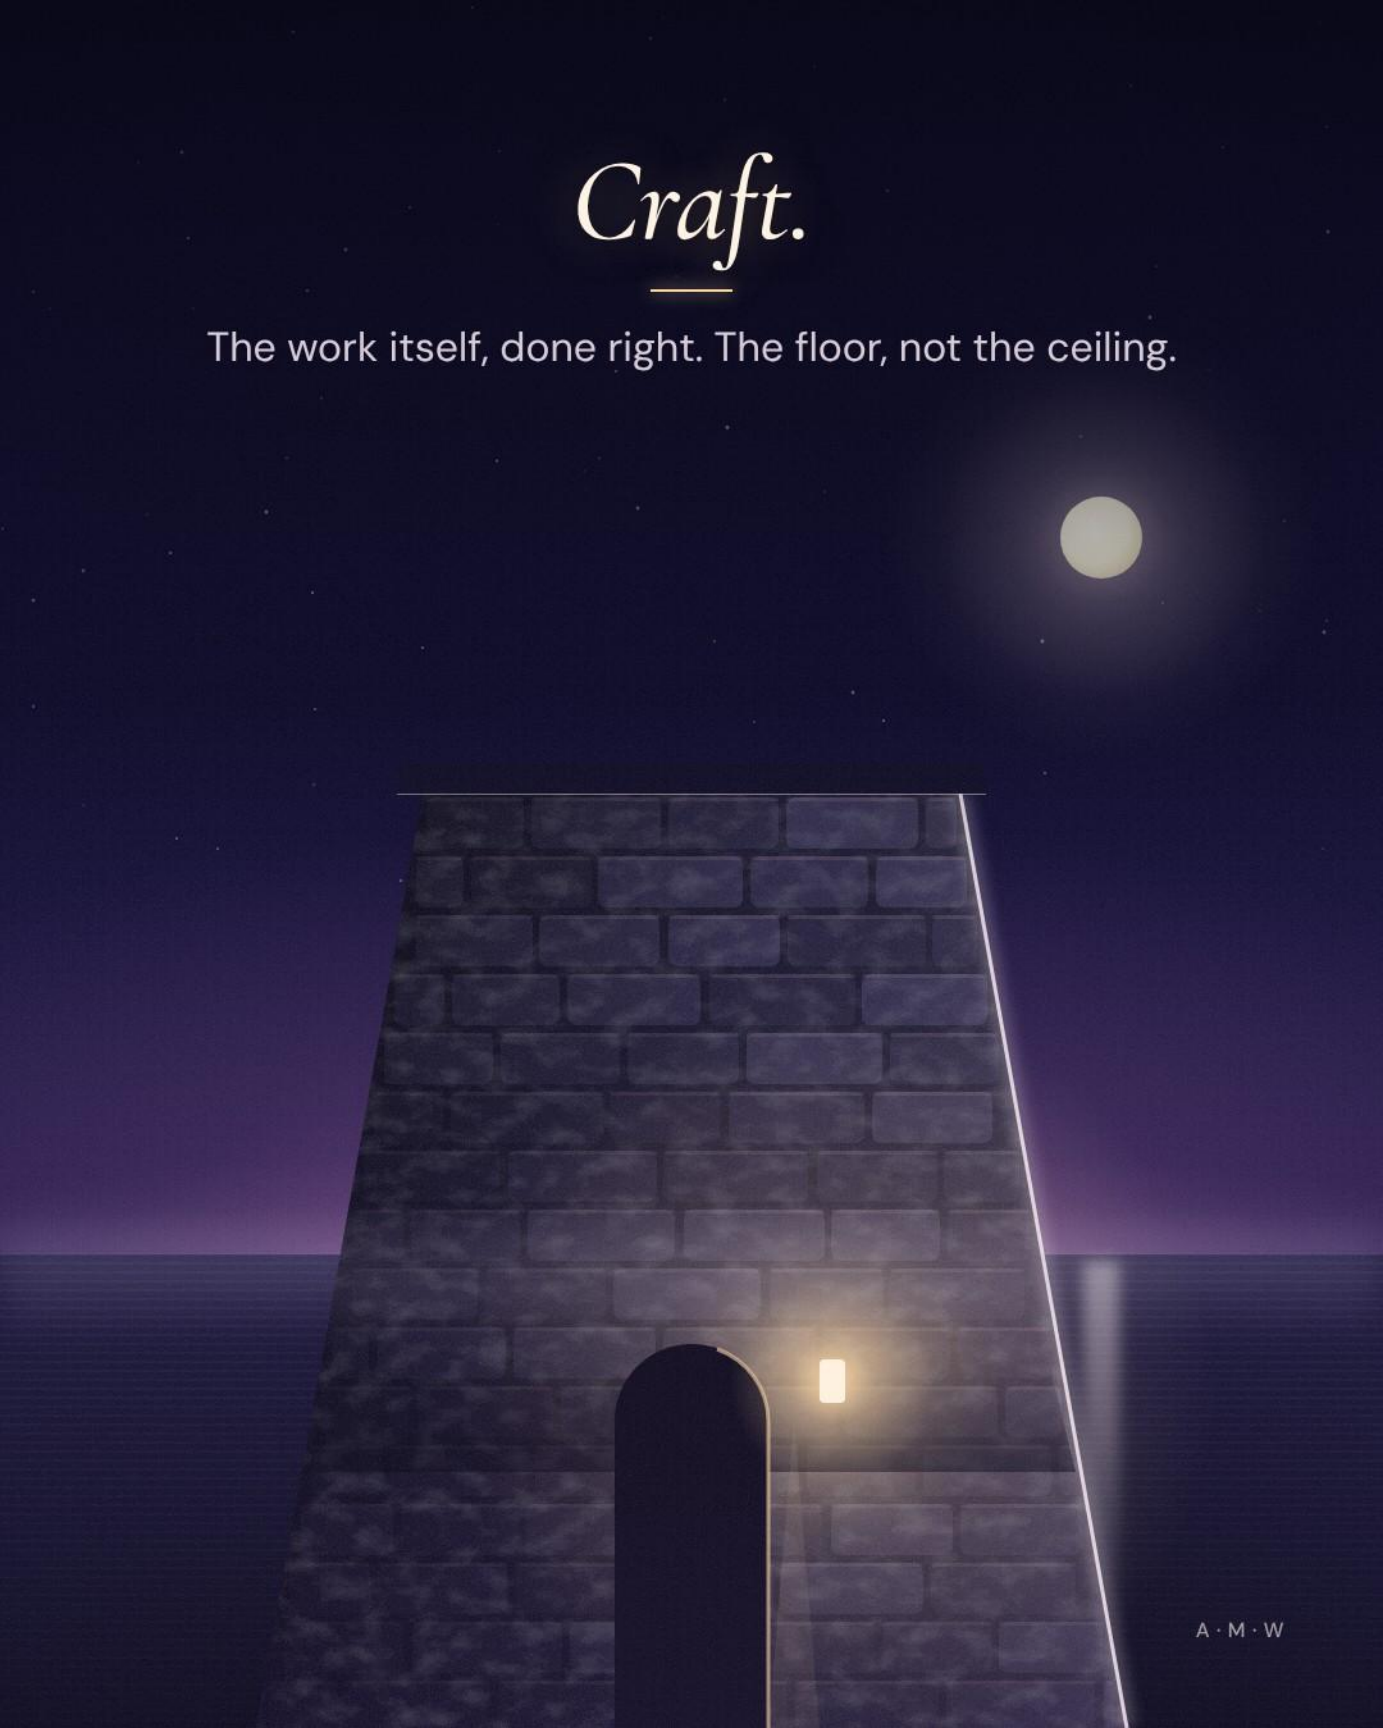

Aesthetics

How it looks and feels. The differentiator.

Craft.

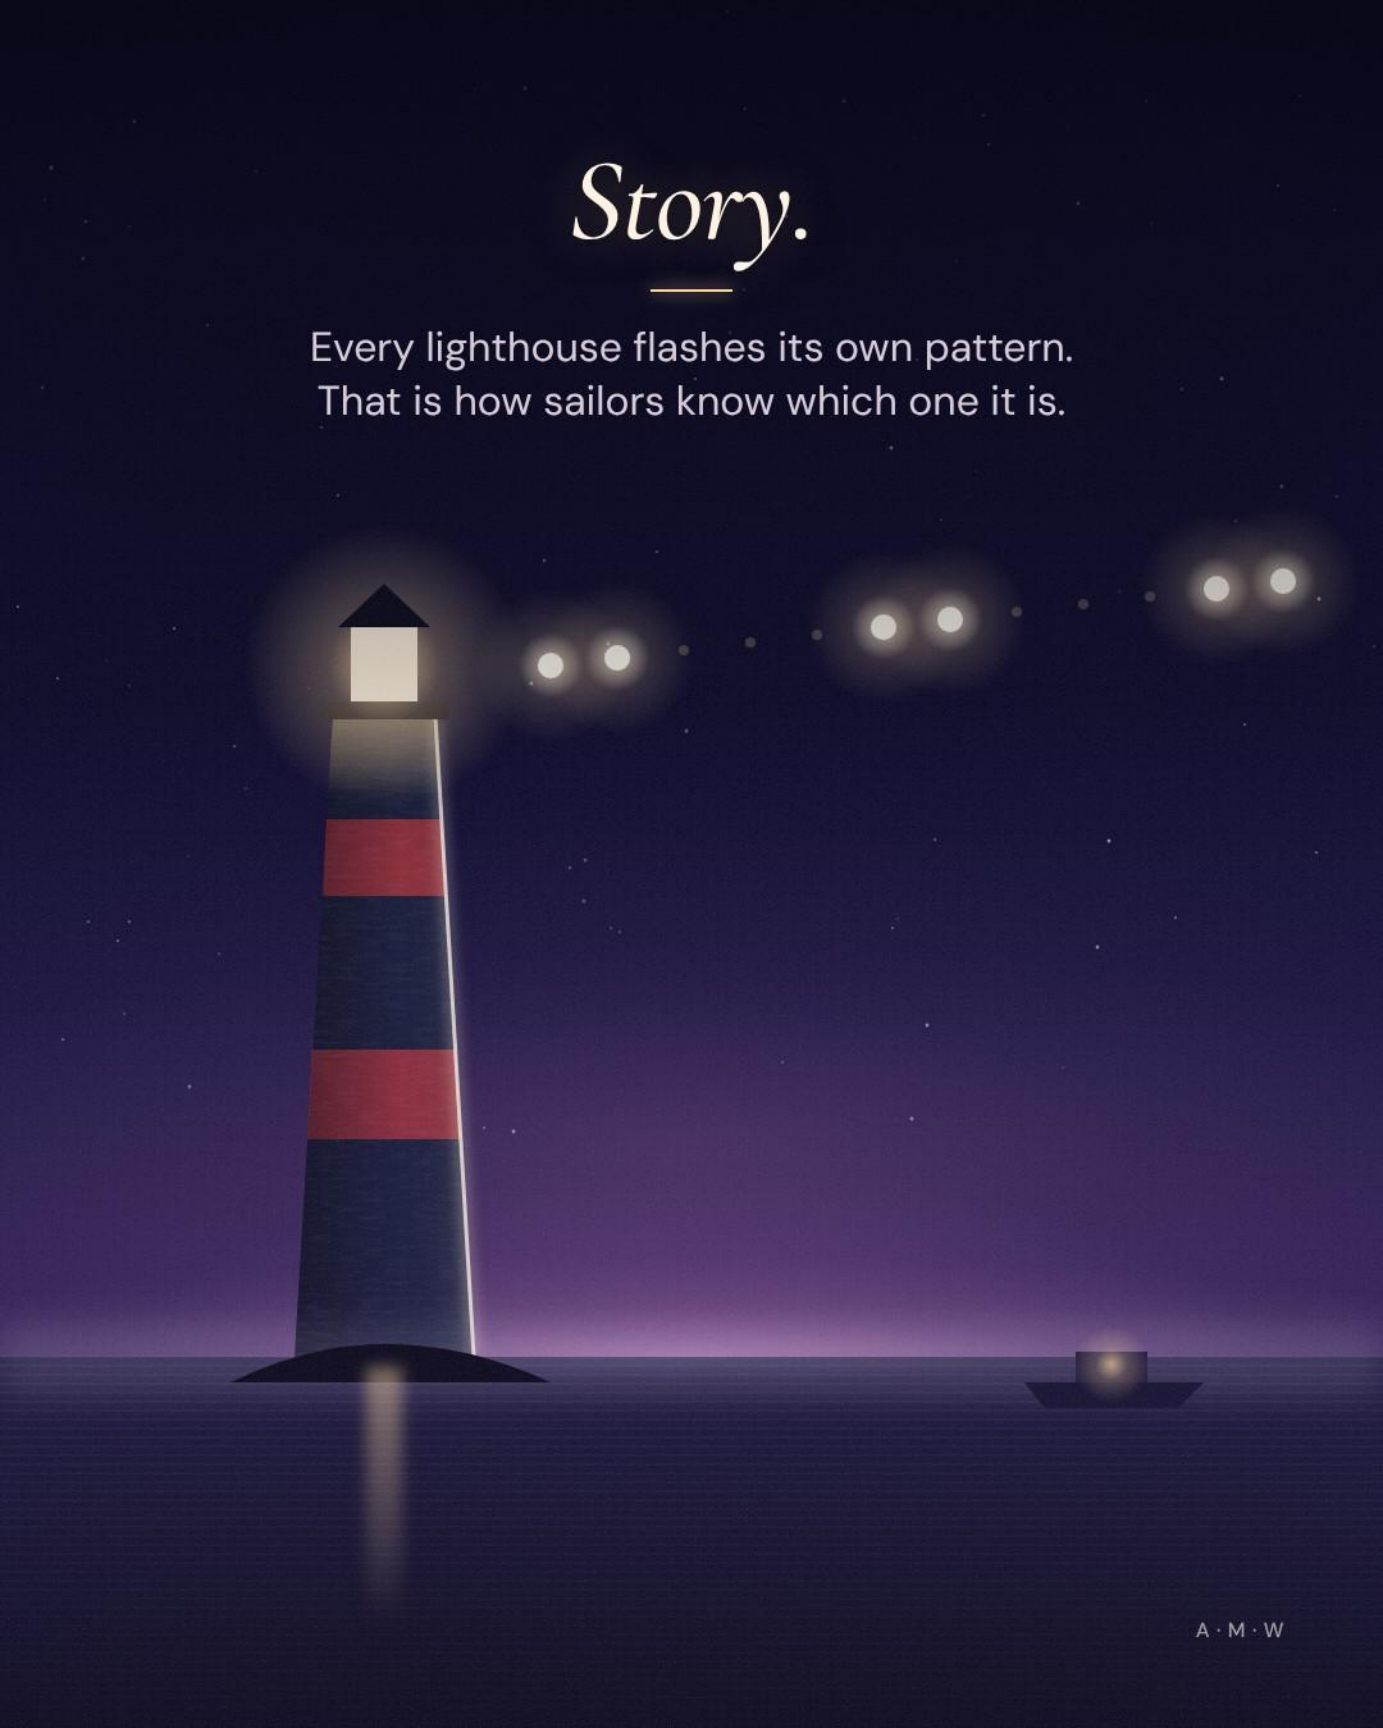

The work itself, done right. The floor, not the ceiling.

Story.

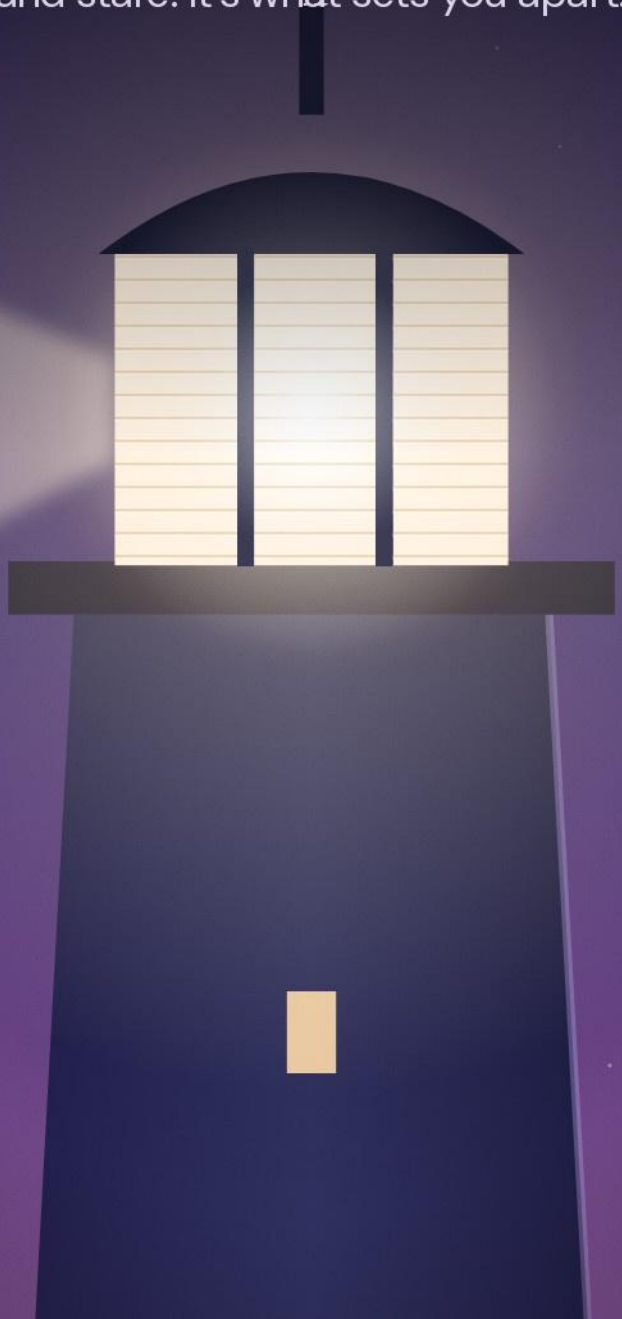

Every lighthouse flashes its own pattern.
That is how sailors know which one it is.

Aesthetics.

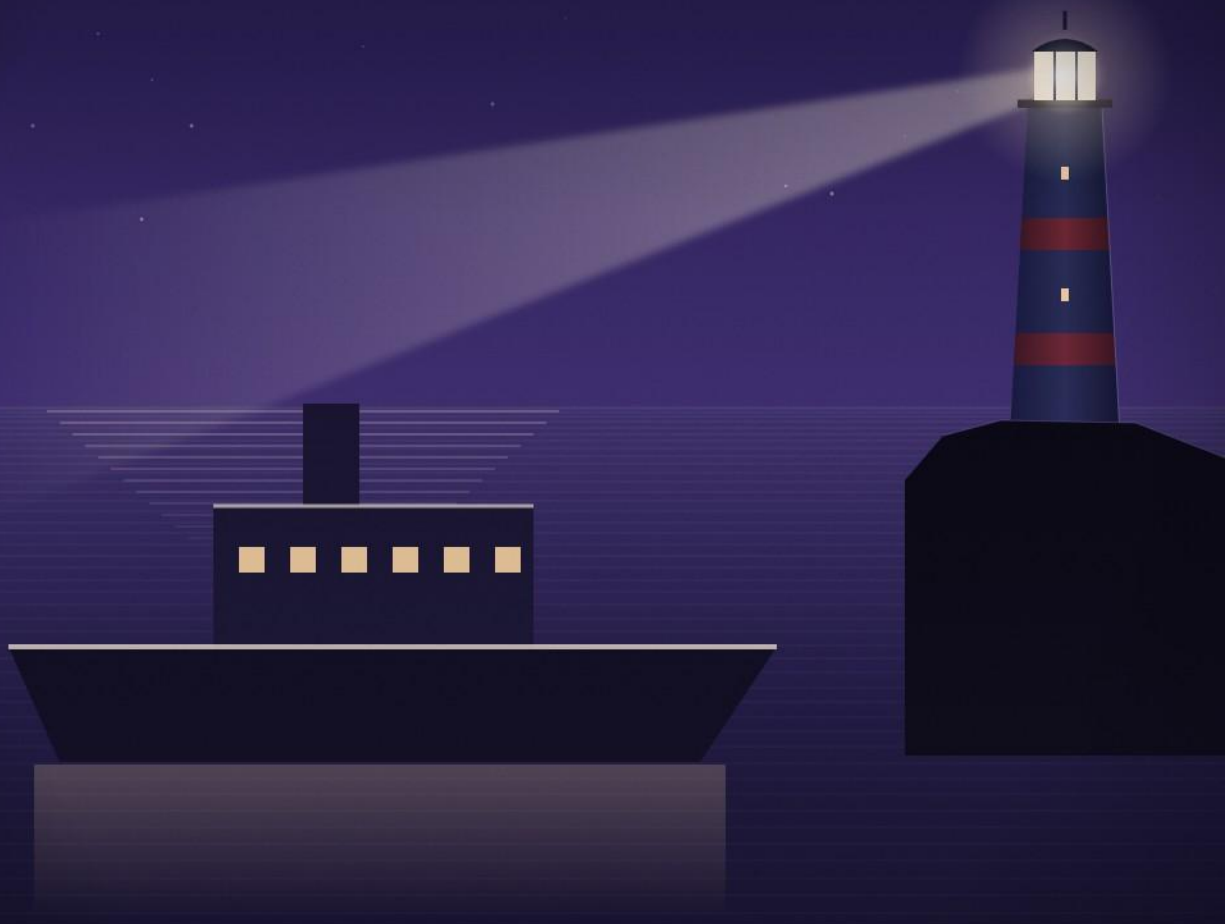

The look that makes people stop and stare. It's what sets you apart.

A · M · W

How people buy in.

They see the look. They buy
the story. Then the product.

All three, working together.

The look brings them in. The story makes them stay. The craft makes them tell others.
