Be like water. Take the shape of what they need.

Water takes the shape of whatever holds it.

01

Find the need

Ask what they really need, not what you sell.

02

Become the answer

Shape what you offer around it, and say so plainly.

Prove you're adaptable.

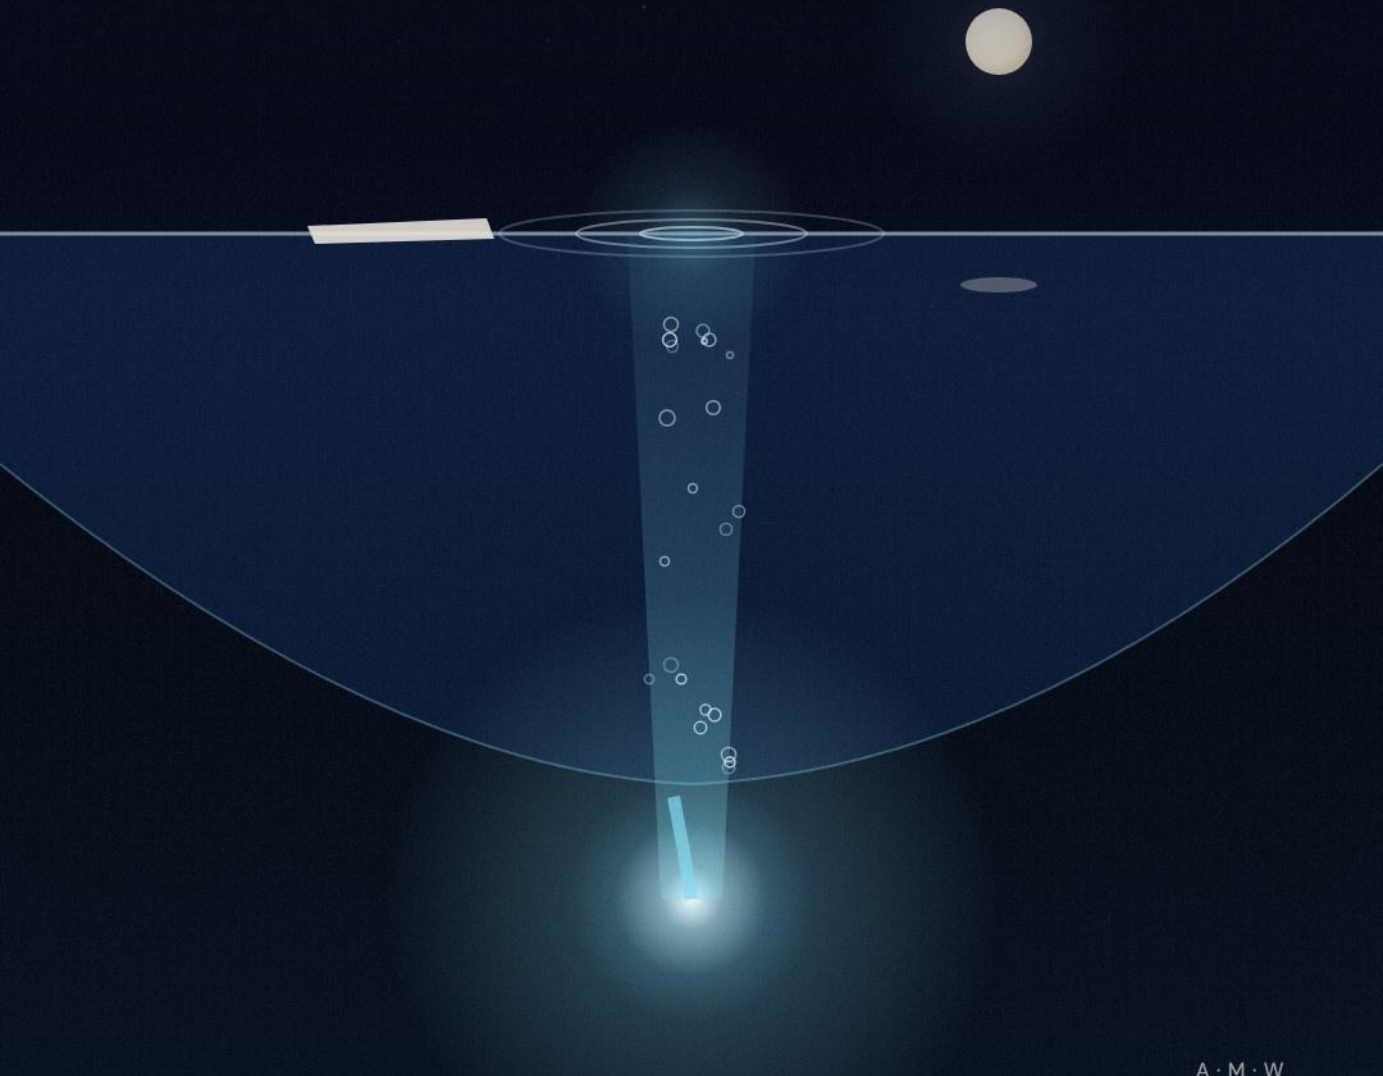

Move with what they need, not what you sell.

Find the real need.

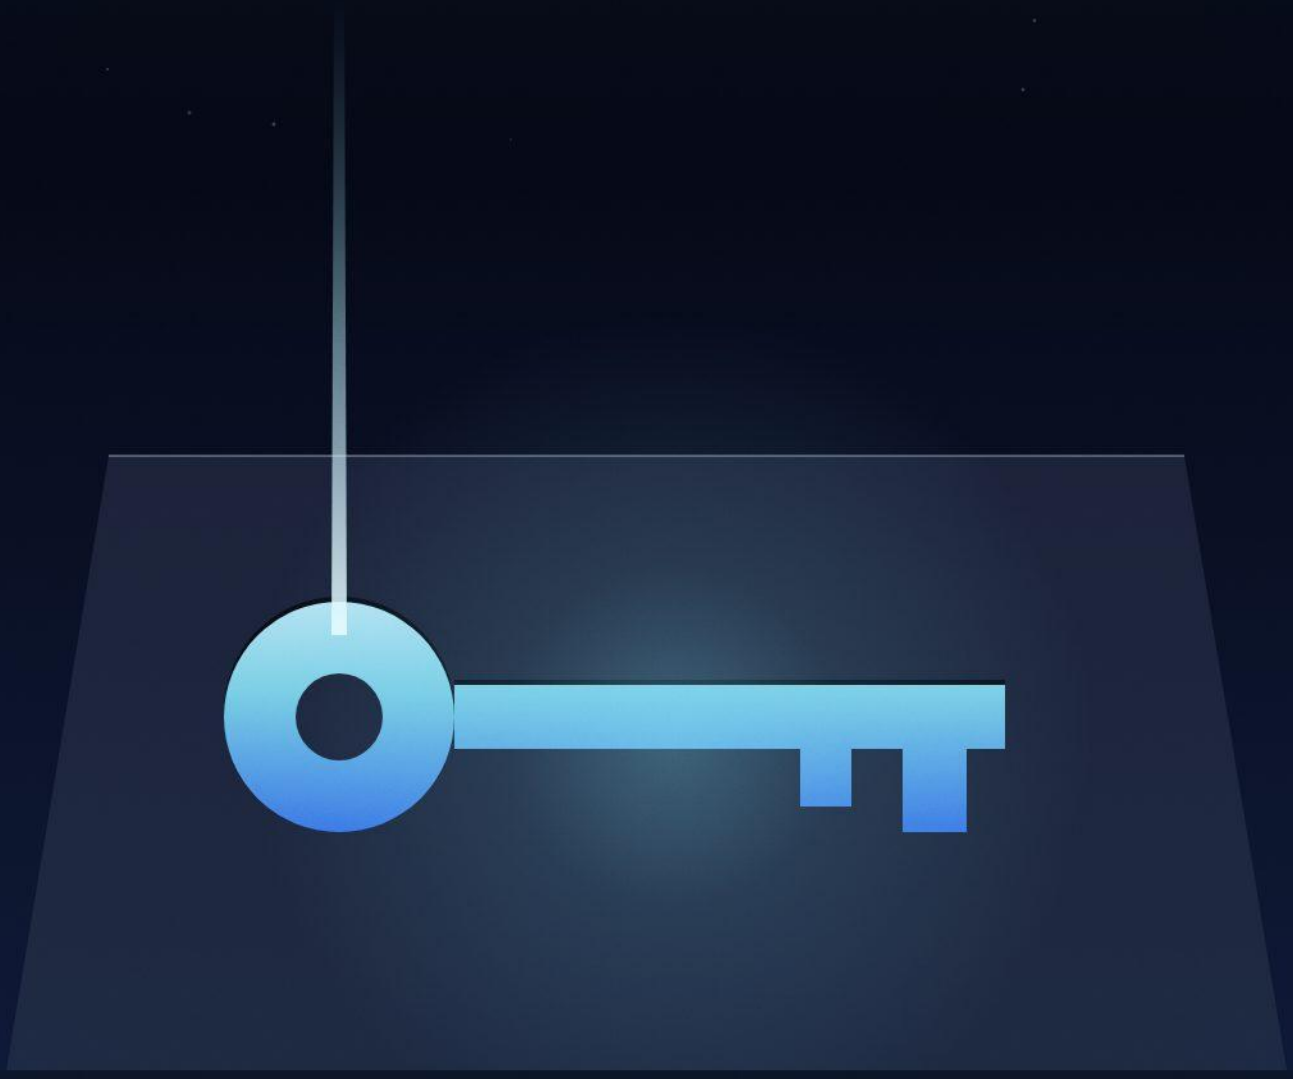

Listen past what they ask for. What they really need usually sits underneath.

Become the answer.

Shape yourself around that need. Nothing else.

Give before you ask.

Listen first. Help first. Then shape the offer.
