Three ways a brand can reinvent.

The moon never changes. What it shows you does.

01

A new world

Same person, new surroundings.

02

A new persona

A new character, the same core.

03

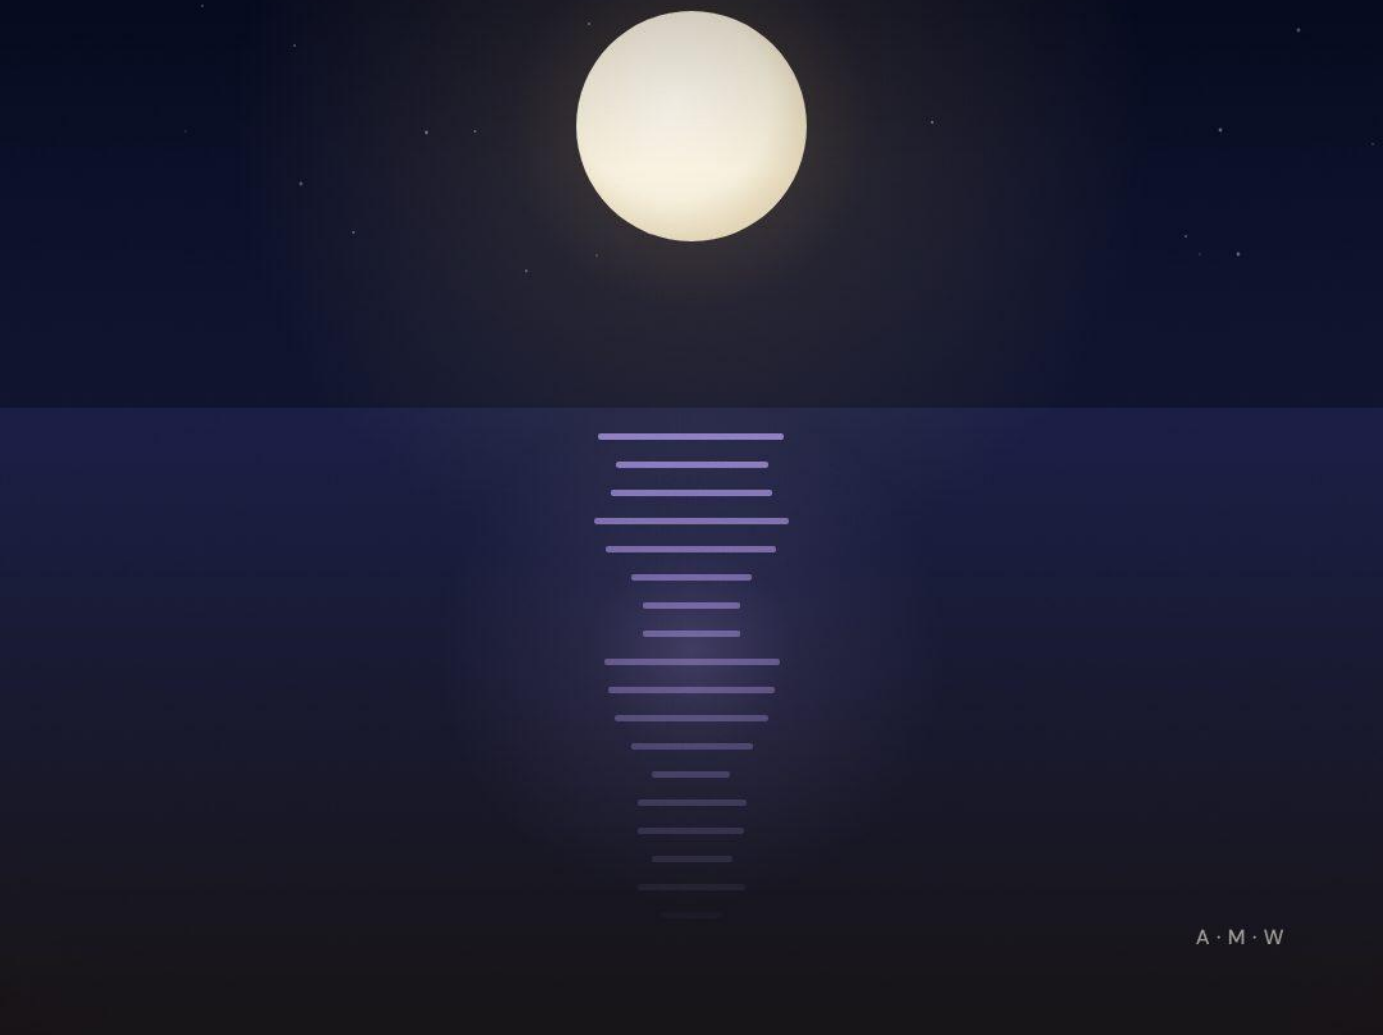

A deeper dive

Go further into one world you already own.

A new world, same person.

New setting, new sound. You still know who it is.

A new persona.

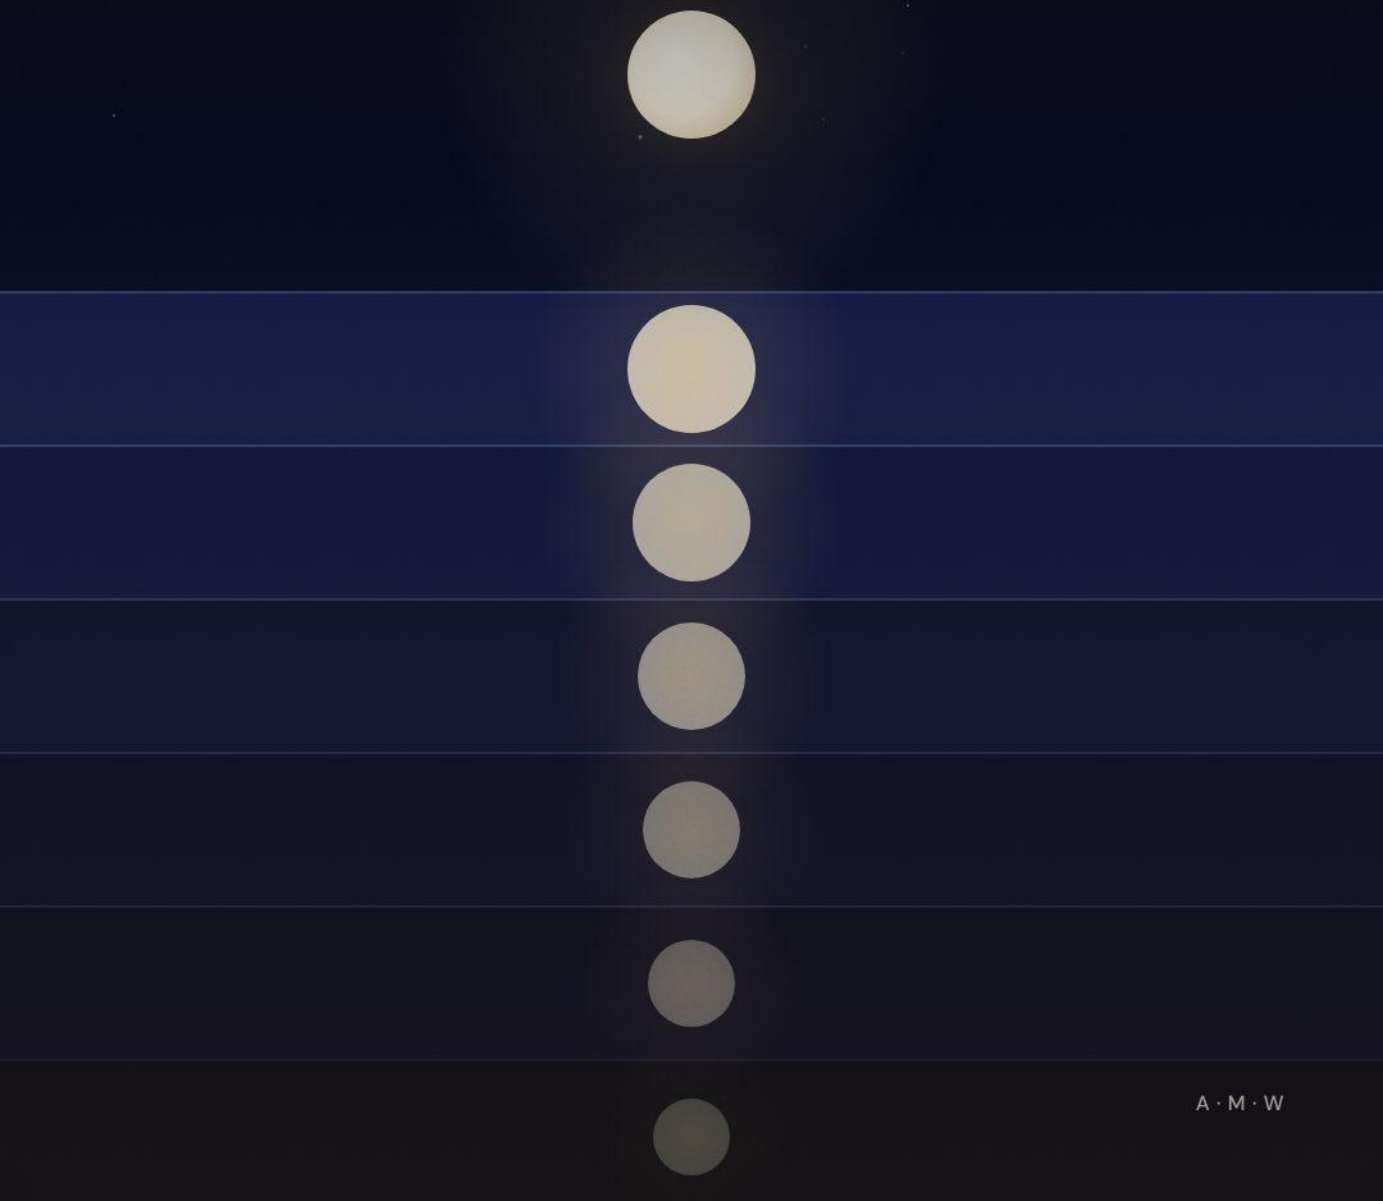

Change the character. Keep the voice.

Go deeper.

You don't need a whole new look. Dig deeper into what you already do.

Expectation is anticipation.

When people know you'll change, they're already excited to see what's next.
